

Chickasaw #1 for Three Straight Quarters

Chickasaw MLP Strategy Tops *Pensions & Investments* Ranking for Third Consecutive Quarter

MEMPHIS, August 18, 2014 — In their “Top-Performing Managers” special report dated August 18, 2014, *Pensions & Investments* ranked the Chickasaw MLP SMA strategy #1 within the Composite U.S. Stock Universe for the five-year period ending June 30, 2014. With this latest ranking, the strategy has now held this #1 spot for three consecutive quarters.

“The strategy...topped the five-year list for the third consecutive quarter with an annualized gross return of 42.29%,” reported Meaghan Kilroy of *P&I*.

Positioned among the very top MLP investment firms, Chickasaw Capital Management’s portfolio managers average 19 years of MLP experience — which they believe is the most in the U.S. As of July 1, 2014, the firm had \$3.0 billion in assets under management. Chickasaw’s investment team seeks to deliver results through discipline, fundamental research, quantitative skill and managing risk — while always maintaining a clear commitment to its clients.

About Master Limited Partnerships (MLPs)

An MLP is a publicly traded entity that is listed on the major U.S. stock exchanges and conforms to the same accounting, reporting and regulations as any publicly traded corporation. MLPs are significant owners of America’s energy infrastructure, controlling substantial assets involved in the transportation, processing and storage of the nation’s energy resources. These assets include major pipeline systems that deliver products such as natural gas, crude oil and refined fuels to end markets.
